

Uchi Deshi – Seminar

Daniel 8.DAN und Sonja Toutain Sensei 5.DAN Wanomichi -Takemusu - Aiki

house for seminars, Birach, area of Mühldorf

from 14th of september – 18th of september 2026

Dear Wanomichi - Aikidokas,

we're happy to organize a new seminar with Daniel and Sonja Toutain in september again!

We booked the larger dojo with about 150m² tatami ! For accommodation we'll have a big house with 2 – and 3 bedrooms, some of them in japan style. There's also a big kitchen , 2 bathrooms and 2 toilets.

The costs for house (accommodation) and seminar and kitchen are about 500,- € (300,-€ for Daniel and Sonja, 110,- € for the dojo and 90,-€ for accomodation). If you dont`'t stay in the house the costs are 40,-€ for using kitchen, toiletts and the bathroom (in total 450,-€). The price depends on the amount of aikidokas, but we're quite sure that we don't have to pay more.

Max will organize a barbeque-evening with fish and on an other meal. If we have the list of participations we'll organize the dinner. Please send uns a message if you want to eat vegan/vegetarian.

It is possible to take you own bedclothes (duvet cover and bedsheet) or you can borrow them from the house (costs: 7,-€ for each) or you can use a sleepingbag.

We'll be glad to have a beautiful seminar with you and Daniel and Sonja
